

MEDLIFE Service Learning Trip Booking Terms and Conditions

By signing up for a Service Learning Trip with MEDLIFE, you agree to the following terms and conditions.

Deposit

In order to confirm your participation in a Service Learning Trip, a non-refundable deposit of \$200 USD per participant is required.

Full Payment

Full payment is due 45 days prior to the start date of your service learning trip. **Your credit card on file will automatically be charged 45 days prior to the trip start date.** If you wish to change your method of payment for your final payment, you can do so via the "pay now" feature on your invoice, or by contacting trips@medlifemovement.org. Failure to provide final payment 45 days prior to departure will result in the cancellation of your reservation.

Cancellation by Participant

If you cancel your trip more than 45 days prior to departure, MEDLIFE will retain 100% of your deposit. If you cancel your trip between 44-30 days prior to departure, MEDLIFE will retain 50% of your trip payment as a cancellation penalty. If you cancel your trip 29 days or less prior to the start date, your trip payment is 100% non-refundable.

Proof of COVID-19 Vaccination

MEDLIFE requires proof of full COVID-19 vaccination as per latest government recommendations at least two weeks before departure to participate in a Service Learning Trip. Due to the nature of our programs, we are unable to accept participants who are not vaccinated for COVID-19. You will be asked to submit a copy of your vaccination certificate upon registration.

Insurance

Emergency Medical Insurance is included in all of our Service Learning Trips. Trip cancellation and interruption coverage is not included, but is highly recommended. Contact trips@medlifemovement.org for more information.

Flights

Flights are not included in the trip payment. We require flight information 45 days prior to departure. If you require assistance in booking flights, or would like to explore group flight options, please contact trips@medlifemovement.org

Dietary Restrictions
